

Did you know...February 13, 2012

1...that FAR Clause 52.222-50, "Combating Trafficking in Persons" is required in all solicitations and contracts? See FAR 22.1705(a).

2...that Quality assurance surveillance plans (QASPs) should describe how the COR will monitor the contractor's performance regarding trafficking in persons such that non-compliance with FAR Clause 52.222-50, Combating Trafficking in Persons, is brought to the immediate attention of the KO? See DFARS 222.1703 and PGI 222.1703.

3...that contract lawyers are business counselors and, as such, they participate fully in the discussions about the propriety or wisdom (business, financial, need, or otherwise) of a proposed action? See AR 27-1, Chapter 15, Paragraph 15-4(d).
